To make things easier on the day of your visit, please:

- **Complete and bring the New Patient form** (or at least jot down the information)
- Check before coming if you have symptoms of an infection
- Keep clothing simple
- Online payment preferred (details at the clinic), otherwise cheque or cash

At the clinic:

- Park anywhere except the far right corner (reserved for people with disabilities)
- No spaces? John St. car park TN4 9RU has 2hrs parking for 60p (by card or RingGo)
- It is good hygiene to wash your hands when you arrive and leave, and avoid spending too long in the waiting room if colds and infections are going round.
- Masks are no longer obligatory, but I will be glad to wear one if you prefer.

I look forward to seeing you

Gordon
